

End Tab Classification Folders with SafeSHIELD® Coated Fastener Technology - 2 DIVIDERS

Protect your documents and fingers with Smead's patent pending SafeSHIELD® Coated Fastener Technology--the ultimate solution to fastener issues, including paper tears, finger cuts, and excessive fastener crinkling. Dividers with tabs and fasteners on both sides let you store information under several subdivisions, and fasteners on the front and back panels.

FEATURES:

- The ultimate classification folder when security and safety are most important
- SafeSHIELD® coated fasteners add protection for papers and fingers while also reducing fastener crinkling.
- 2" expansion
- 17 point kraft stock divider with 1" SAFESHIELD® coated fastener
