

100% Recycled Hanging Classification Folders

ITEM NO: 65100

100% Recycled Hanging Classification Folders with Dividers allow for subdividing documents, improving efficiency and accessibility to records. Fasteners keep information sequentially organized and at your fingertips. Coated rod tips slide easily on file drawers. Clear poly tabs can be positioned in several locations on front or back panel. Lighter green on the inside of the folder helps prevent accidental filing of papers between folders.
