ITEM NO: 11777

Stay on schedule with the perfect folder system for monthly or daily follow-up. Use two sets (monthly and daily headings) for a full year follow-up file. Simply use the 1-31 daily folders for materials needing action in the current month; at the beginning of a new month, distribute the material from the monthly folder into the appropriate daily folder when action needs to be taken. Alphabetic sets are handy for maintaining small desk drawer files of papers not requiring their own files.
