

Secure File Pockets with Easy Grip®

ITEM NO: 73232

Smead's Secure Pocket with Easy Grip® has two distinct advantages over standard pockets—it safely holds documents in the pocket and the SmeadGrip® Non-Slip Grip provides twice as much grip as a standard pocket. Position the straps on the bottom for loading, on the sides for drawer storage and on the top for secure transport. Available in expansions up to 5-1/4". The rollover Tyvek® reinforcement makes the gusset sides virtually tear proof.

FEATURES:

- Repositionable elastic straps
- 6-1/2" high Tyvek® roll-over reinforced
- 30% recycled content, 30% post-consumer material
