

File Jackets with Antimicrobial Product Protection

ITEM NO: 75602

An excellent solution for document security, file jackets are well-suited for storing odd-sized items, photos and bulky documents that do not fit in traditional file folders. Reinforced tab for extra strength at the point of greatest wear. Plus, these jackets have been treated with antimicrobial product protection to inhibit the growth of bacteria, mold and mildew that can cause stains, odors and product deterioration.

FEATURES:

- 11 point antimicrobial stock
- Reinforced straight-cut tab
- 10% recycled content, 10% post-consumer material
