Hanging Classification Folders with SafeSHIELD® Fasteners

ITEM NO: 65105

Heavy-duty, portable hanging classification folder combines the convenience of a hanging folder with the functionality of a classification folder. Plus, once you remove the file from the drawer you can simply fold down the hangers and go! Protect your documents and fingers with Smead's patent pending SafeSHIELD® Coated Fastener Technology--the ultimate solutions to fastener issues, including paper tears, finger cuts and excessive fastener crinkling.

FEATURES OF FOLDER:
• Adds protection for papers and fingers while also reducing fastener crinkling
• Two 1" SafeSHIELD® bonded style coated fasteners in pos 1 and 3
• Durable moveable hangers on top corners secured with rivets
• 2" expansion

FEATURES OF DIVIDER(S):
• 1" SafeSHIELD® coated twin-prong fastener
• 17 point kraft stock
• 10% recycled content, 10% post-consumer material
