

FasTab® Hanging Classification Folders

ITEM NO: 65115

Heavy-duty, portable FasTab® hanging classification folders combines the convenience of a hanging folder with the functionality of a classification folder.

The FasTab hanging classification folders have built-in heavy-duty reinforced tabs permanently attached to the folder. No assembly is required.

They are easy to label by either handwriting directly on the tab or applying self-adhesive labels.

Plus, once you remove the file from the drawer you can simply fold down the hangers and go!

Protect your documents and fingers with Smead's patent pending SafeSHIELD® Coated Fastener Technology--the ultimate solutions to fastener issues, including paper tears, finger cuts and excessive fastener crinkling.

FEATURES OF FOLDER:

- Adds protection for papers and fingers while also reducing fastener crinkling
- Two 1" SafeSHIELD® bonded style coated fasteners in pos 1 and 3
- Durable moveable hangers on top corners secured with rivets
- 2" expansion

FEATURES OF DIVIDER(S):

- 1" SafeSHIELD® coated twin-prong fastener
- 17 point kraft stock
- 10% recycled content, 10% post-consumer material
