

Expanding File with Antimicrobial Product Protection

Product treated to resist the growth of bacteria, mold and mildew that can cause stains, odors and product deterioration. This file features a hook and loop closure on the flap for added security. Clear tabs and blank inserts allow you to customize your indexing.

FEATURES:

- 12 pockets; each expands to 7/8"
- Protective flap with hook and loop closure
- 10% recycled content, 10% post-consumer material
