Locking doors provide records security for your peace of mind.

Simply choose your model: aluminum (middle lock) or poly (bottom lock)

Whether you are installing a new shelf filing system, or retrofitting your existing shelves; Smead's locking security doors are an affordable and convenient way to enhance the security and appearance of your filing area.

ALUMINUM

Shown without optional side closure panel

- Easy access—mid-height, push button keyed lock
- Easy to operate—counter-assist door mechanism aids in lifting
- Long-lasting—constructed of lightweight aluminum slats with a polyurethane foam core
- Adds 7½" to the height and 2⅝" to the depth of the shelving
- Side closure panel available (aluminum door only)
- Available in silver only

POLY

- Easy to operate—spring assisted doors include flush design handles at the middle and a covered aluminum handle at the bottom for easy opening and closing
- Durable—constructed of lightweight poly-carbonite; scratch resistant
- Smooth, quiet operation
- Attractive color options
- Keyed lock at bottom of shelf
- Adds 9" to the height and 2¼" to the depth of the shelving

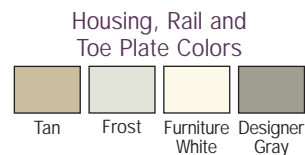

Optional Side Closure Panels add the finishing touch (aluminum door only)
