

Pressboard Classification Folders with SafeSHIELD® Fasteners

Protect your documents and fingers with Smead's patented SafeSHIELD® Coated Fastener Technology--the ultimate solution to fastener issues, including papers tears, finger cuts and excessive fastener crinkling. Available in a variety of colors and divider options to fit any organizing need.

FEATURES OF FOLDER:

- Sturdy pressboard stock with matching tear resistant tape
- The ultimate classification folder when security and safety are most important
- SafeSHIELD® coated fasteners add protection for papers and fingers while also reducing fastener crinkling

FEATURES OF DIVIDER(S):

- 11 point kraft stock
- 10% recycled content, 10% post-consumer material
