

Organized Up® Heavyweight Vertical File Folders

ITEM NO: 75406

Organized Up heavyweight vertical file folders let you file and organize your documents upright like you print and read them. These super durable, heavyweight water resistant files stand up to extensive use. The dual tab lets you label the file for both vertical and horizontal use - perfect for desktops, backpacks and drawers. Closed on two sides for extra security. Each folder holds up to 25 pages.

FEATURES:

- Heavyweight, water resistant, durable colored stock
- Dual side and top tabs
- Scored front panel

Smead Organized Up® Heavyweight Vertical File Folders 75406, Dual Tabs, Letter, Bright Tones
